Malinda Sharp, Administratrix
of the Estate of James Sharp
deceased, the petitioner

John W. Shannon,
Nancy M. Hunt,
Zimri Hunt,
James T. Sharp,
Thomas M. Sharp,
Malinda M. Mendenhall,
Isaac Mendenhall,
Joseph G. Sharp,
Matilda T. Sharp and
Mary J. Sharp,
the defendants.

The petitioner in the above entitled
cause represents to the court that James
Sharp, the decedent in said cause, died
intestate; that the personal assets
of said estate amount to about \$2585.00
; that the debts of said estate, so far as
they have come to the knowledge of said
Administratrix amount to about
\$5435.00, there being an insufficiency

of personal assets to pay said debts of
about \$2850.00:

That said decedent died the owner
in fee simple, of the following described
lands situated in Hendricks county
and state of Indiana, to wit:— The
South Half of the South East quarter of
Section Seven: the West Half of the
South West quarter of Section Eight; the
West Half of the North East quarter of Sec-
tion Eighteen, all being in Township
Fifteen North and Range Two West
and containing Two Hundred
and forty acres more or less and
also the North West fractional quar-
ter of said Section Eighteen containing,
according to United States Survey,
One Hundred and thirty three acres
and ninety five hundredths of
an acre;

That since the death of said decedent,
she as his widow, obtained Partition
of said Land, whereby a part thereof was
assigned and set off to her and her heirs
and assigns in severalty forever, as her full
part of said Land, described as follows
to wit:— The South West quarter of the
South East quarter of said Section Seven,
and the West Half of the North East quarter
of said Section Eighteen, being One Hun-
dred and Twenty acres more or less;

That the balance of said Land that

remained after said Partition was made, is all liable to be sold to furnish assets to pay debts of said estate, and is of the probable value, & more as follows to wit:-

The South East quarter of the South East } \$2000.00
quarter of said Section Seven }

The West half of the South West quarter } \$3000.00
of said Section Eight }

The North West fractional quarter of } \$6000.00
said Section Eighteen }

The petitioner further represents, that said decedent left surviving him as his only heirs, his widow the petitioner, who has had her part set off to her as above stated, and Ten children, namely:-
^{Defendants}
William P. Sharp; George H. Sharp;
Elizabeth J. Shannon wife of defendant John H. Shannon; Mary E. Hunt wife of defendant James Hunt; James V. Sharp; Thomas H. Sharp; Malinda H. Beendenhall wife of defendant Isaac Beendenhall, all of whom are over Twenty One years of age, and also the following named children who are under the age of Twenty One years, to wit:- Joseph P. Sharp; Matilda H. Sharp and Mary J. Sharp; said children being defendants herein (over)

That it would be to the best interest of said estate, in the opinion of petitioner, to sell said West Half of the South West quarter of said Section Eight, as it will probably bring more in value, than any of the other tracts or parcels of land, and that said sale had better be made at Private Sale, for the reason that a better price can probably be obtained thereby, by that means.

Wherefore the petitioner asks the court to order and decree the sale of said West Half of the South West quarter of Section Eight, in Township Fifteen North and Range Two West at Private Sale under such restrictions as the court thinks best, ~~as per~~ in compliance with the statute.

I further report that in pursuance of said notice, on the 22^d day of March A.D. 1813, I offered said Real Estate for sale at The Court Office of Charles Joly in the Town of Lamoille in said county and was offered and bid therefor, by one John D. Glynn the sum of four thousand dollars and that being the highest, best and only offer and bid I received therefor and being largely over the appraisement thereof, I sold said Real Estate to the said John D. Glynn for said sum of four thousand dollars, one third of which, to wit \$1333²³/₁₀₀, the said John D. Glynn paid me cash down and executed his two promissory notes for the deferred payments each being for \$1333²³/₁₀₀ and bearing interest at the rate of eight per cent per annum and payable one in six and the other in

Twelve months from the day
of sale and thereupon I executed
to the said John D. Hyman a Certificate
of the sale of said Swam estate.

Said Real Estate is described as
follows, to-wit:—The West half of
the South West quarter of Section
Eight in Township Eighteen North
and Range Six West, containing eighty
acres more or less, and situated
in Hendricks county and state of In-
diana.

I ask the court to confirm said
sale and order a deed to be de-
scribed to said John D. Hyman.
Therefore. Mairinda Sharp, Adm'r

subscribed and sworn to as being a

1st Page of Explanation

James Sharp having deceased Jan. 16th 1872, Intestate, I received letters of Administration February 3rd 1872. Made an Inventory of Personal Property February 7th 1872; and sold the same at public sale March 1st 1872. Had my portion of Real Estate as widow of the deceased set of in the April Term of the Circuit Court. and owing to the insufficiency of the Personal Property to pay the debts, I asked and obtained an order to sell Real Estate, in the June Term of the Court of Common Pleas. and in pursuance of said order, I sold Eighty Acres of Real Estate on the 22nd day of March 1873 at private sale, as per Report of same. which was sufficient to enable me to satisfy the debts of the deceased. without the further sale of Real Estate.

I found the business of the deceased with reference to a certain Estate of one Joseph Sharp, his brother, of Morgan County Indiana, of which Estate he was Administrator, in an unfinished condition; and in a way to cost, in an indirect way, far more than the usual ~~amount~~^{sum} amount of such Liabilities; as follows: viz.

Said Estate of Joseph Sharp had been settled as Insolvent; and the Deceased had ^{lost} by way of endorsements &c, between Five and Eight Thousand Dollars all told; and had thus been disabled to make prompt payments of all dividends declared, out of the Assets of that Estate; without an appropriation out of his own property.

Then he had begun said Administration in 1866, and said dividends had been declared in June 1871, in the Morgan County Court of Common Pleas. Then owing to some unavailable Assets, Deceased had, by said Court, been allowed until the October term of said Court, to make settlements. And by this time, the Deceased had, in his last sickness, become unable to attend to his business; and expecting to recover, he had let all business lay at rest; and he finally died without further attention to business, or any explanation of it, more than to manifest great anxiety concerning the above Estate.

Immediately after the death of the Deceased, I made a thorough investigation of the whole business;

3rd page of E.
(3rd page of Explanation)

Which developed the fact, there were near Four Thousand Dollars of Liabilities against the Deceased in shape of Dividends due October 1st 1871; this being February 1872. and somewhere about Two Thousand Dollars of uncollected Assets. none of which could be reached for immediate use. and the parties entitled to the said Dividends (over Forty in number) all having lain out of the use of their money from six to ten years, and been repeatedly disappointed, had become impatient; and many had determined to bring suit upon the Bond of the Deceased! and were making the arrangements to begin. I therefore determined to close up said liability, with as little expense as possible. and acting under the advice of S. J. Hadley^{Deed} (my Attorney at that time) I raised large sums of money on my own account, at great expense, and assumed many of the said Liabilities on my own note, and collected all the Assets that I could reach, and have thus succeeded in paying off the whole of the said liabilities; and taken Receipts for the same, and closed them, after being duly

(4th page of Explanation)

Credited, to be placed on file among the papers of the deceased in the said Estate in Morgan County. I also found a note in Harrison's Bank at Indianapolis for about \$1300.00. and one in the First National Bank of Danville Ind. for \$500.00. each of which, to save expense, I assumed; and carried in Bank for a time, then lifted with my own means; and now ask the court to allow me the actual expense of each of these items, as shown below, until lifted; then 10% but on my money advanced until Apr. 1st 1873. as calculated in my account current.

The note in Danville Bank cost Dec. 11th 1872 \$548.39

Interest as claimed to Apr. 1st 1873 16.76

Total cost April 1st 1873 \$565.15

including Interest and expense on \$1371.70

I ask the court to allow me the
three last items on this ground.
My reports will show that I have
had from \$1000.00 to 3000.00 of my
own money in the Estate from
the first; not from choice, but
from the pressing condition of
the Estate — This, I borrowed at
interest and used for the benefit
of the estate — always profitably too —
hence my claims for interest on
the advancements as shown in
this and former reports also —
Also the items numbered 38-39-40 & 41
on the Inventory as charged are
would all through lessen my
actual advancement, apparently
on reports, hence I claim herein an
estimate of interest on an amount

equal to them. I having that much more advanced than the figures on reports would appear to show.

Also I have collected off of Clements & Son on item numbered 36 in the Inventory \$20.00 and not accounted for it in my Account Current, owing to the costs of it yet being charged to me at Lebanon and also shrinkage on it as upon the above explained items

by far exceeding that amount; but I am willing to let it go from me without further ^{charge}

I now ask the Court to relieve me from further attempt to make collections from G. W. Sharp and Clements & Son having in each case obtained judgment in favor of the Estate and used due diligence to make collection of the same and only in part succeeded -

I have also obtained a Quit claim deed in Trust from George & Enfield Sharp for certain Executed premises in Putnam County Indiana which is in all probability worthless; and is so regarded here. except in the accidental event of

Thus I submit to the Court this, my final Report of my doings in the Estate aforesaid—being aware that some of them are a little irregular—but as seven of the ten Heirs are of age and I both Mother and guardian of the other three; who are nearly of age; and and also Widow & Heir of the Deceased myself; and having advised and consulted with all parties from the first, and acting with entire consent and unanimity from the first and done everything for the greatest good of the Estate I ask the Court, if Lawful and consistent, to accept my transaction as offered, and explained, and relieve me from further duties as Administratrix of the estate of my Deceased Husband James Sharp.
